

Dear Churches of Northampton,

Just a quick letter to let you know about the events planned for the UNCU at Northampton this term. We have had a really successful fresher's week with all the events being attended well and being able to develop some initial relationships' with the new students. We saw about 40-50 people coming over fresher's week and have about 35-40 people attending or meetings and small groups. Please pray for these students that not only can we continue to build some strong friendships but that they will really grow in Christ in these next 3 years and find the right churches individually where God will use and develop them. Pray for this too for our second and third year students that as the work pressure get more intense they will still find time for God and the work he has for them as individuals.

We have lots of evangelistic opportunities planned also for this term including Pizza Hut on 27/10/09 where Steve Johnson spoke. Pray thanks that this was well attended and that we saw lots of new faces who were there for the first time and hopefully receive the gospel and salvation. As well as this we have events planned on the 12/11 and the 24/11 as well as a carol service on the 10/12. Please pray for these events and the evanage team as they plan and prepare for these events.

As well as this we have our winter weekend away coming up on 4/12 to the 6/12. The weekend is titled 'Getting to know you, getting to know God- finding your identity in Christ'. This is an exiting opportunity that we have to go away, get to know each other better but also really have a time of receiving and hearing from God. Please pray for safety and a really God-centred time away as well as for the committee as they plan and prepare that it will all be for the Glory of God.

Finally were beginning to think toward our mission's week which is our main outreach opportunity on campus. This will be from February 1<sup>st</sup>- 5<sup>th</sup>. Please pray for us as a CU and committee in these planning stages that the right speaker and events will be put on to most effectively reach fellow students on our campus.

Thank you so much for your prayer and support. It's so essential to everything we do

Philippians 4:6

Do not be anxious about anything, but in everything, by prayer and petition, with thanksgiving, present your requests to God.
